

## Worksheet for Color Preferences

After you have read the color basics page, print off this worksheet to take notes of your likes and dislikes. Keep this sheet in your portfolio for future reference.

Color Preference Chart	
What are your favorite colors? What color makes you feel great and feeds your soul?	
What colors depress you and make you nervous or anxious?	
When looking at decorating magazines, what color schemes are you drawn to?	
Are they Neutral? If so, what color neutrals? Shades of Whites, Browns, Grays?	
Are the color schemes Brights like Primaries?	
Are they Pastels? If so, are they cool colors or on the warm side of the color wheel?	
Are the color schemes complimentary? Again what colors are you drawn to?	
Are they split complimentary? Analogous? Monochromatic? What colors are calling to you?	
What colors are used for accent colors?	
Are there patterns you dislike? If so, what are they?	
What patterns do you like?	
In looking at pictures and brochures, have you found new ways to use patterns?	

Notes: Thoughts and Ideas, References to books and pages, brilliant ideas that came to me at midnight, etc:
